

The background is a dark grey/black field with a pattern of diagonal stripes and a halftone dot pattern. A large, bright red, jagged explosion shape is centered in the upper half. Inside this shape, the text 'AT 2 AM' is written in a bold, black, sans-serif font with a yellow outline. Surrounding the explosion are several white, stylized cloud-like shapes with three lines trailing behind them, suggesting motion or impact. Small white stars are scattered throughout the background.

COMIC

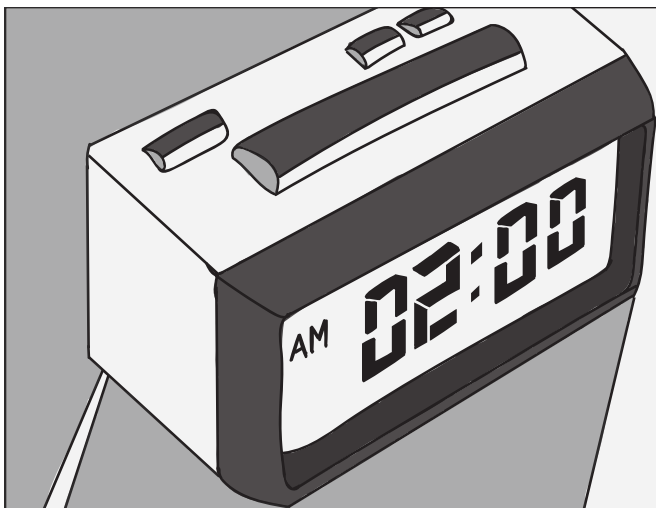

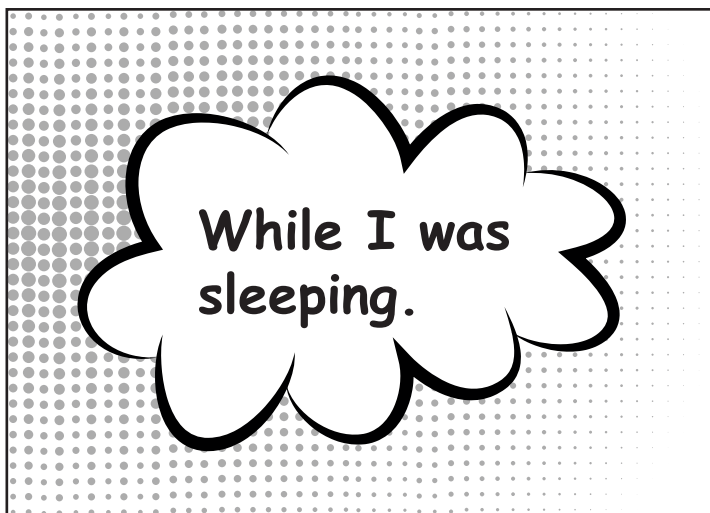

I had a strange experience
a couple of months ago.

It happened one night.

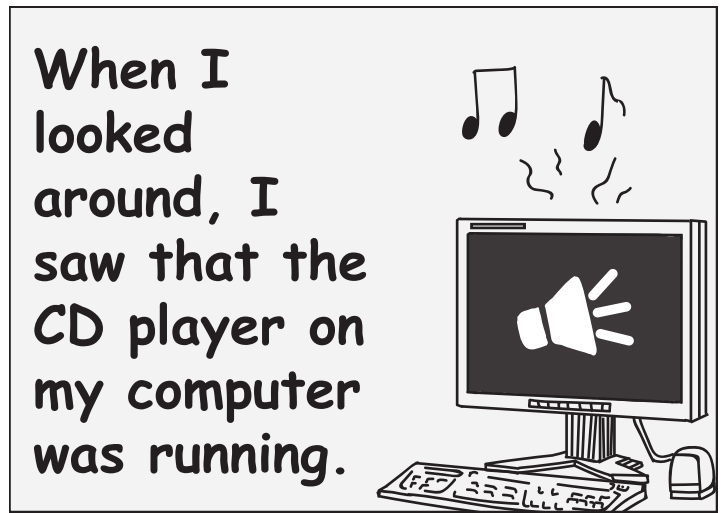

While I was
sleeping.

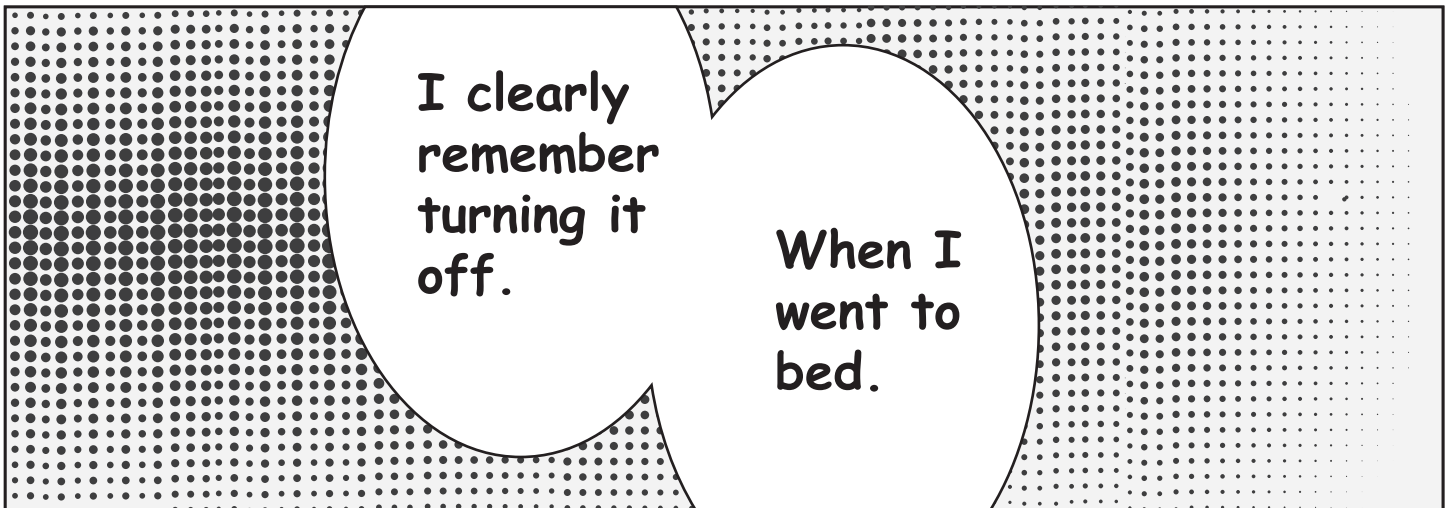

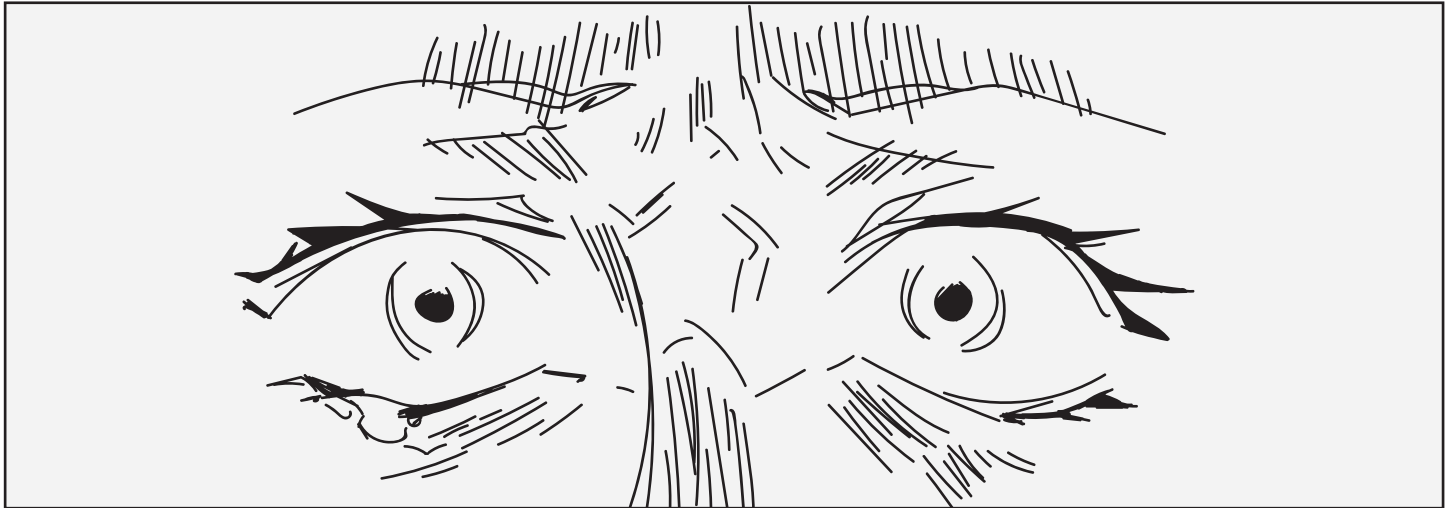

It was probably
about two in the
morning.

When I
woke up
to loud
music.

When I
looked
around, I
saw that the
CD player on
my computer
was running.

I clearly
remember
turning it
off.

When I
went to
bed.
